#3

A LITTLE acre in Paradise—
To dream a home and have that home realized just east of the sunset.

—the lull of the beating surf
—the fishing fleet at anchor just offshore
—the gorgeous coloring of the setting sun

Such a feeling of peace and quiet comes stealing o'er you as you sit and rest after your day in the busy city.

This, and more, is yours at Palos Verdes Estates, assured by adequate and wisely drawn Protective Restrictions.

I am one of a series telling the colorful story of Palos Verdes Estates.
Keep me—for you will want all of us when the story is finished.
